

REGULARS ON THE RULES COMMITTEE

NO INSURGENT IS NAMED-- CAUCUS WAS FREE FROM THE SMOKE OF BATTLE

Smith of California One of Chosen Six-- Peace Rules--Democrats To Meet Tonight To Name Their Men

WASHINGTON, March 24.—The regulars and insurgents, officially, have ratified the Republican caucus nominees for the new rules committee. The leaders of the regulars predict that the party will unite for the Congressional elections this fall. Tonight the Democrats will caucus to select the minority members of the new rules committee. Whether they will refer to the Republican caucus making efforts for insurgent representation on the majority side, cannot be foretold. Much "harmony" talk grew out of the caucus last night. Since no fight was made on the nomination of Dazell of Pennsylvania and Smith of Iowa, both members of the old board, it is believed that the insurgents are ready to call for peace.

REGULARS ARE CHOSEN FOR RULES COMMITTEE
WASHINGTON, March 24.—John Dazell of Pennsylvania, Walter I. Smith of Iowa, J. Sloan Fassett of New York, Henry S. Boutell of Illinois, Sylvester C. Smith of California, and George P. Lawrence of Massachusetts were last night chosen by the Republican caucus called to select six of the ten members of the new committee

on rules of the House of Representatives under the reorganization forced by the insurgents and Democrats last week. The men named are "regulars" and were opposed by the insurgents who went into the caucus with candidates who were slaughtered. Nicholas Longworth, not classed with the insurgents was also beaten. The men who were nominated were Longworth, Gaines, Gardiner, Fassett, Smith (Iowa), Boutell, Dazell, Smith (California), Kahn, Lawrence, Loudon, Miller, Stevens, Cooper, Denby, Murdock, Davidson and Martin.

Needham of Colorado, Olmstead of Pennsylvania, Parsons of New York and Norris of Nebraska were also placed in nomination, but they promptly declined.

It was decided on motion of Representative Hubbard and seconded by Payne of New York that the ballot should be secret.

Those nominated by the insurgents were: Gardiner, Cooper, Murdock, Davidson, Martin and Norris.

The caucus nominees will have to be ratified by the house. There is no talk of an insurgent bolt.

The course of conduct left for the insurgents is to act with the Democrats when the committee needs regulation in legislative action.

THREATENED STRIKE IS AVOIDED

Firemen and Railway Companies Sign Agreement for Arbitration

CHICAGO, March 24.—An agreement providing for the settlements of all disputes between the Brotherhood of Railway Firemen and Engineers, and the Western railroad officials was signed early today after a protracted conference lasting nearly all night. The signing of this agreement averts all present danger of a serious strike on all roads west of Chicago.

Labor Commissioner Charles P. Neill acted as mediator between the employers and employees, and both men and managers appear well satisfied with the result. The terms of the agreement are not announced, but it is believed that practically all the firemen's demands are granted. It is also understood that the Brotherhood's demand for twelve and one-half per cent wage increase will be arbitrated under the Erdman act. This result practically is a victory for the firemen.

Labor Commissioner Neill left for Washington today. He refused to discuss the terms of the settlement. The agreement prevents a strike involving forty-nine railroads and twenty-seven thousand men.

WILL PROBE ALLEGED SHIP SUBSIDY LOBBY

WASHINGTON, March 24.—The house judiciary committee today recommended that the house begin an investigation into the reported activities of alleged lobby for ship subsidy legislation. The committee's action followed a complaint by Representative Stearnson of Minnesota who declared he had been vilified by a Cleveland publication which he believes represented a powerful ship subsidy lobby.

EVANGELIST MADE RASH STATEMENT

Porterville Crowd Hissed Him and Showered Him With Eggs

PORTERVILLE, March 24.—This city is excited today following a riot resulting from a revival service held in a local church. Evangelist Leroy Clark, during his sermon, declared that the morals of Porterville women were lax. He said that any woman who attended a dance should be classed with immoral women. A short time later a small boy hurled an egg through the church window, striking the speaker. The congregation was soon in an uproar.

As Clark left the church a crowd lined the streets and hissed him. He broke into a run, the crowd following, showering him with eggs secured by a raid on a grocery store. Sheriff Collins, with a posse of deputies organized in Visalia, finally quelled the mob. Sardiz Templeton, the youth alleged to have thrown the first egg, was arrested on a warrant sworn to by Clark.

MINE WORKERS TO MAKE NEW DEMAND FOR WAGE INCREASE

CINCINNATI, March 24.—It was reported today that a conference of all mine workers of West Virginia, Ohio and Pennsylvania will be held here to try to outline their demands for a wage increase and other favors, so they may be acceptable to the mine owners. The miners have already demanded a wage increase and if the new demands are not granted, they declare a strike will follow.

MARSHAL GOT JUDGMENT IN DASQUE SUIT

Plaintiff Who Brought Action for Damages Following a Search Fails to Try

COSTS ARE ASSESSED TO MRS. MARIE DASQUE

Action Grew Out of City's Prosecution of Liquor Case Last July

The damage suit of Mrs. Marie Dasque against City Marshal L. M. Edwards for damages as the result of the marshal's enforcement of a search warrant issued to him out of the city recorder's court of Santa Ana, has fallen by the wayside. This morning Judge Oster of San Bernardino, sitting on the Superior court bench of this county for Judge West, who is trying a case in San Bernardino for Judge Oster, gave judgment in favor of the defendant and assessed the costs of suit to the plaintiff.

This ended a damage suit that was never taken very seriously by many people. When it got right down to the trial of the case, the plaintiff and her attorney, J. Howard Bell, were absent from court.

On July 8 of last year, Mrs. Dasque, proprietor of the Santa Ana Restaurant at 209 West Fourth street, was arrested on a charge of keeping a place where liquors were sold. City Marshal Edwards and other city police searched the restaurant and the lodging-house above it. They proceeded under search warrants issued by City Recorder Willson. The search produced two or three bottles of beer in one room of the lodging-house, and two or three bottles of wine in the kitchen of the restaurant. Part of the prosecution's case consisted of calling witnesses that they had bought liquor at the restaurant. These witnesses failed to give the evidence expected. The other part of the case consisted of the story of a boy detective from Los Angeles, dressed as a girl, and in company with a woman. The boy testified that a young man with them went in the rear door of the restaurant and came back with several bottles of beer.

Mrs. Dasque was not convicted. In November Mrs. Dasque brought suit against the city marshal alleging malicious prosecution and unwarranted search. She asked \$5000 damages on two counts. Attorney Bell appeared for her. Attorney Clyde Bishop and Montgomery & Tarver represented Edwards. During the course of the usual proceedings under demurrers, a part of the complaint was knocked out, and there remained a count in which \$2000 damages was asked. On that count the case was ordered for trial, after the defendant had demanded that it be set.

This morning Judge Oster arrived from San Bernardino to try the case. Attorneys Montgomery and Bishop were in court with the defendant, City Marshal Edwards. Witnesses present for the defendant were City Clerk Tedford, City Recorder Willson and Officers Murray, Boynton and Hamilton.

The plaintiff and her attorney were absent and no witnesses for the plaintiff had been subpoenaed. It was reported to the court that Attorney Bell had gone to Elsinore, and also that he was present in court when the case was set for trial. Judge Oster waited until 11 o'clock, and he then called the case. He said:

"The defendant and his attorneys are present in court and ready for trial. The plaintiff and her attorney are absent. Judgment in the case of Marie Dasque against L. M. Edwards is ordered for the defendant with costs of suit."

ENGINEER DIES FROM INJURIES IN ACCIDENT

BAKERSFIELD, March 24.—The second fatality resulting from a locomotive explosion on the Santa Fe line last Monday occurred today when Engineer W. O. Sorenberger died of his injuries. An investigation to fix the blame of the accident is going on today.

ROOSEVELT IS IN DANGER IN CARIO

PRAISE OF ENGLISH RULE ANGERS NATIONALISTS-- ROOSEVELT UTTERS DEFINITIVE

Straus Joins Former Chief In Reply To Cable--Pope and King Will Greet Roosevelt--Norway's Plans

CAIRO, March 24.—That the British government actually fears for the safety of Colonel Roosevelt because of Egyptian nationalists and other extremists now in this city, was demonstrated today when the authorities detailed a throng of private detectives to attend him during his stay here.

From the time the Roosevelt party left the train and entered the Khedive's carriage until they reached the Khedive's Hotel, scores of mounted and foot officers surrounded him, in addition to private operatives who mingled with the crowd.

Thousands of people cheered Roosevelt from the station to the hotel, lining the streets and filling windows. Scores of Europeans congregated at the hotel to bid him welcome.

The newspapers today are filled with open letters and editorials advising Roosevelt not to repeat here his remarks on the excellent British Rule in Africa, which he delivered at Khartoum. They say a repetition of these sentiments is likely to precipitate trouble among the Egyptian Nationalists here.

The Khedive received the Colonel today, the first time such an honor was ever paid to a private citizen. The Khedive also received Mrs. Roosevelt and her daughter, Miss Ethel, and later returned their call.

STRAUS JOINS ROOSEVELT AT CAIRO ON CABLE CALL
CAIRO, March 24.—Oscar S. Straus, responding to a cable from

Roosevelt, met the former president at Cairo today. Straus was Secretary of Commerce and Labor under Roosevelt, and is now ambassador to Turkey.

What the object of the conference which followed Straus's arrival is, no one appears to know. It is believed among newspaper correspondents that Roosevelt wants home political news at "first hand," and that this is the reason for Straus's, as well as Pincho's trip.

Roosevelt is not alarmed by the report that his life is in danger here. "I'll repeat my Khartoum remarks if I wish," he said.

POPE AND KING TO GREET ROOSEVELT

NEW YORK, March 24.—Audiences with King Victor Emmanuel of Italy, and Pope Pius X have been arranged for former President Roosevelt, wife and family. The Roosevelts will be met at Naples by Commander Long, who will accompany him and his family on their sight-seeing trips through Italy, Austria and Germany.

GREAT PREPARATIONS IN NORWAY FOR ROOSEVELT

A state dinner for Col. Roosevelt, at which the King and the government officials will be present, will be one of the features of the splendid reception being prepared for the coming of the former president of the United States. Roosevelt will deliver his Nobel lecture in the National Theater as the demand for tickets is so great.

MAY CHANGE TO PIPELINE

Judge Oster Issues Restraining Order--In 90 Days Plaintiff May Make Change

The Santa Ana Valley Irrigation Co. is restrained from maintaining its open ditches on West Washington avenue and East Seventeenth street, according to the order of Judge F. F. Oster of San Bernardino. A short time ago Judge Oster gave judgment in favor of the city in the action brought to compel the irrigation company to do away with those two open ditches. Today written findings and conclusions of law were filed by Judge Oster.

The court finds the ditches to be nuisances, under the city's ordinance, and restrains the company from maintaining the open ditches. The ditch on West Washington between Ross and Baker lies entirely in the street, and the court ruling is that the company may change the mode of distributing the underground pipes. The ditch on East Seventeenth between Bush and French juts six inches into the street. The court rules that the company may change this ditch to a pipeline or may modify the ditch in such manner as to eliminate that six inch strip of open ditch from the street.

The court rules that if the defendants do not abate the nuisances complained of, within ninety days, the plaintiff may abate them.

GIRL SHOT WHILE PLAYING SOLDIER

VALLEJO, March 24.—Gertrude Roselind, aged seven, is dying of a gunshot wound inflicted by her brother Joseph, aged ten. The shooting occurred last night, while the children were playing soldier. The bullet entered Gertrude's right breast and tore away her lung.

MT. ETNA IS IN ERUPTION AGAIN

Quakes Follow Activity of Volcano--People Are Fleeing for Safety

NAPLES, March 24.—The eruption of Mount Etna continued today, and the inhabitants of villages within a radius of several miles are fleeing to points of safety. The villages of Rinizzi and St. Leo are threatened with destruction. Although no deaths have been reported, there has been much property damage resulting to the surrounding country. The inhabitants fear an earthquake will accompany the eruption.

MT. ETNA ERUPTION HAS FORMED A NEW CRATER

CATANIA, March 24.—Mount Etna is in eruption, a new crater being formed at Volta St. Gixomo, from which flames, smoke and steam are issuing. The eruption was accompanied by earthquake shocks, more than twenty occurring during Tuesday night. Towns near the mountain and, within the radius of the spread of ashes are endangered.

Quakes at Messina

NAPLES, March 24.—Two severe earthquake shocks were felt at Messina yesterday morning between 3 and 4 o'clock. The people were panic-stricken.

River Floods Continue

ROME, March 24.—The floods continue in Calabria and elsewhere in Southern Italy. The rivers have overflowed their banks, several towns have been cut off from communication with the outside world, the railways are interrupted and considerable damage has been done to private property. No deaths have been reported.

THOMAS WALSH NOT YET IN IMMINENT DANGER OF DEATH

WASHINGTON, March 24.—Thomas Walsh, the millionaire mining magnate, disproved the rumors that he is dying by walking unaided from the special train that made a record run here from San Antonio. He is very ill, it was admitted, but in no immediate danger. The train averaged fifty-seven miles an hour on the trip.

TWO AMERICAN WAR VESSELS ARE SEIZED BY NICARAGUANS

WASHINGTON, March 24.—Messages from Consul Moffatt at Bluefields confirm the report that two American vessels have been seized by the Nicaraguan insurgents. The state department is now gathering data on the case.

LAW MAY FIT MEAT BARONS

Gompers Sentence for Violation of Injunction May Serve For Precedent

WASHINGTON, March 24.—The sentencing of Samuel Gompers and other labor leaders, for violation of an injunction, may furnish a precedent upon which to score the millionaire meat barons who under indictment returned in New Jersey, may be sent to prison.

The government bill alleges that they violated the injunction against combination, issued by Judge Grosscup of Chicago. The prosecution is planning an attack on them on the Gompers precedent. Among the men named in the bill are J. Ogden Armour, Louis Swift, Edward Swift and Edward Morris.

RATES ARE HIGHER TO NEW YORK THAN FROM EUROPE

LOS ANGELES, March 24.—That it costs nearly five times as much to ship lemons from Southern California to New York, as from European points, was the testimony given today before Interstate Commerce Commissioners Lane and Prouty, by John P. Triolo, manager of the John Flagler ranch at Corona. He testified that lemons can be shipped from Selly to New York for twenty-five cents per box, while the rate from Los Angeles to New York is \$1.15.

During a tilt between Attorney Call for the growers and Attorney Norton for the Santa Fe, Norton stated that the rates were fixed by the Transcontinental Freight Bureau. Call immediately asked if he might see the minutes of the last meeting of the bureau directors.

"No minutes were kept," Norton replied.

S. B. Hampton of Corona was recalled to the stand. He testified concerning lemon acreage in Southern California and the increasing cost of lemon production.

TRIBUNE HAS A TEST VOTE

Cannon and Tariff Law Are Unpopular in Every Section of Country

CHICAGO, March 24.—The Tribune today prints the results of a test vote taken among Republican editors of the country, which it claims shows that the Payne-Aldrich tariff and Speaker Cannon are unpopular in every section of the country.

A recent test in the Middle West showed Cannon's unpopularity in his own state, the Tribune says, and today's vote indicates that eighty-five and one-half per cent of the Republican editors in New England disapprove of Cannon; the eastern Atlantic states show seventy-four per cent against the tariff, and seventy-eight against Cannon; the western states show seventy-seven against the tariff and eighty-three against Cannon; the southern states show sixty-two and eight-tenths against the tariff and seventy-two and one-half against Cannon.

RABIES INCREASE IN LOS ANGELES

Dr. Taggart is Latest Los Angeles Victim to be Bitten by Mad Dog

LOS ANGELES, March 24.—Dr. Thomas E. Taggart is undergoing the Pasteur treatment today as a result of the bite of a street mongrel. The dog snapped at his ankle yesterday, whereupon Dr. Taggart chased it twelve blocks before killing it. The animal's brain showed unmistakable traces of rabies. Dr. S. P. Black, who is treating Dr. Taggart, declared today that more than a dozen persons are now undergoing the Pasteur treatment here, and that rabies is increasing among the dogs.

WHO WILL GET APPOINTMENT BANKRUPTCY COMMISSIONER?

Who will be appointed commissioner in bankruptcy for Orange county? It is one job that goes unquestionably to a Democrat, for its appointment comes through Federal Judge Welborn.

For many years Ray Billingsley held the position. About a year ago, Attorney H. G. Ames was appointed, and he held it until recently when he went to Anaheim as a member of the firm of Melrose & Ames. His resignation as commissioner was sent to Los Angeles.

There are two petitions before Judge Welborn for the appointment of a successor to Ames. One petition asks that Attorney H. C. Head be appointed, the other that the job

go to B. E. Tarver of the law firm of Montgomery & Tarver. The judge has not reached a decision as to the appointment. In the meantime the county has no commissioner in bankruptcy, and Commissioner Helm of Los Angeles has heard the only petition that has come in since Ames resigned. That petition was the petition in bankruptcy of the California Folding Crate Co. of Anaheim.

The office pays fees and commissions, and its worth is dependent upon the number of bankruptcy cases assigned to the commissioner by the court, and the amount of the assets. As a rule the commissioner for the county will receive only those cases in which the petitioner is a resident of this county.

Associated Chambers to Banquet in Odd Fellows Hall—
Scott to Speak

The Associated Chambers of Commerce of Orange County will meet in Santa Ana on the night of March 30. The meeting will be the annual meeting, and officers will be elected. An address will be delivered by Joseph Scott, president of the Los Angeles Chamber of Commerce.

The banquet will be served by the Dragon in the banquet room of the Odd Fellows.

Any Santa Anan who expects to attend this banquet—and all are invited at \$1 a plate—should notify J. A. Wilkon, secretary of the Chamber of Commerce.

Newport Beach writes: "We are coming twelve strong."

The Anaheim Gazette says: "Four auto loads of members of the Chamber will attend the meeting of the Associated Chambers at Santa Ana, March 30, when a banquet will be served. The April meeting of the Associated Chambers will be held in this city."

LA HABRA NOTES

(Orange County Tribune)
LA HABRA, Mar. 23.—Mrs. Burrows of Los Angeles was the guest of Mrs. D. A. Davis the past week.

Mrs. Maple has returned from a delightful visit among relatives and friends in Indiana.

C. H. Hayworth of Modesto and A. Starbuck of Whittier were guests of F. E. Proud and family Monday.

Albert Thuet spent Saturday and Sunday with his parents, Mr. and Mrs. F. X. Thuet.

We are glad to note that Mr. West is able to be on the paper route again.

Mr. and Mrs. J. E. Warne and daughters Clara and Elsa of Moor Park visited friends and relatives from Thursday until Sunday.

The Misses Ruth Dallman, Wanda Davis and Lulu Conors entertained their friends with a St. Patrick's party Thursday evening.

Attorney Brown and wife of Orange, Mr. and Mrs. L. Chandler and Mrs. A. E. Carr of Los Angeles were the guests of the Proud and Brown families Sunday.

Ed Streif of Los Angeles spent Sunday at the Launer home.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them *Remedies of Known Composition*.

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the closest scrutiny.
Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomachs, biliousness and all catarrhal diseases, wherever located, have printed upon it in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending a question on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal roots of great value, also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their women. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "squaw-weed." Our knowledge of the uses of not a few of our most valuable native, medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicine.

RICHEY TAKES 500 INCHES

Reported that He is Using Ditch Built for Spreading of Storm Waters

ANAHEIM, Mar. 23.—The regular meeting of the directors of the Anaheim Union Water Co. was held March 19.

On motion the request of Jacob Wittmer for the construction of a cement ditch on the alley adjoining his property near West street was granted, as per the recommendation of the ditch committee.

A communication from the Water Conservation association advised that Mortimer Richey was diverting between four and five hundred inches of water through the contour ditch used for the spreading of storm water, and that they were not responsible for this action. The matter was ordered referred to the Santa Ana River Development company.

A request from Henry Baert for the purchase of 17 barrels of cement granted.

Applications on file for the transfer of stock were on motion granted.

Director Bradford reported that the Santa Fe Land Improvement company was desirous of obtaining from our company a right of way of 50 feet in the northeast part of lot 1, block K, Kraemer tract, adjoining the railroad, in order that they might straighten and control the wash at this place. A blue-print drawing was presented showing the location of the railroad, with proposed right of way on this and adjoining properties. Moved that the application of the Santa Fe Land Improvement company be granted, and the president and secretary authorized to sign the deed of right of way. Carried.

Mr. Brunsworth advised the board that Ben Dausser was about to construct a pipe line upon his property, but that he would be unable to run water to all his land unless the company ditch on Santa Ana street is piped for a distance of about 300 feet, to his corner, in order to obtain greater pressure. The matter was referred to the ditch committee to report at next meeting.

Mr. Kirk, as agent of the Western Casualty and Surety company, appeared before the board and solicited them to make application through him for an employer's liability policy. Action was deferred till next meeting. H. S. ARMSTRONG, Secy.

Spring Skirts

Big New Line Just Arrived. All the Smartest Styles in Black and Cream and the Best Spring Colorings : : :

WE are showing one of the finest assortments of new Spring Skirts we have ever had in our store. That is saying a good deal, for our aim has always been to keep the best. But there is a beauty and grace about the new pleated models for spring that makes each one individually charming. And we have broadened out into a wider range of colorings. These are the reasons why we think this line one of the handsomest we have ever shown.

No description can be given of the new pleated models. There are so many different styles and each has an individuality of its own. They are cut up to fifteen gores, regularly or group pleated, and some are very effectively trimmed in cloth or jet buttons.

Materials include Panamas of a wide range of qualities, fine, imported mohairs, domestic mohairs, plain serges, striped serges, volles of various weights, and black taffeta. This is certainly as wide a range of skirt materials as one could desire.

As to colorings, all tastes may be satisfied by our showing of tans, mode, champagne, several shades of blue, wisteria, brown, greens, gray, mixtures, and cream and black. In black skirts we are especially strong.

To women who want genuinely superb garments at a moderate cost, we especially commend these skirts. In style, in fit, in finish, and in sheer value, at our price from \$5.00 to \$15.00 comparison will show you that these skirts are unapproached.

BERRYDALE MAKES SALES

One Twenty and One Five Acre

BERRYDALE, March 22.—We had a regular old fashioned 16th century St. Patrick's day celebration at the residence of Joan Swartzbaugh Wednesday evening. The boys wore, besides the regulation "Hooligan" headgear, a sprig of samrock in their button holes, and the girls girdled their waists with a sash of emerald hue. The general effect was quite pleasing to the eye, especially to the farmers who were devoutly praying for rain that our grain fields may have that same green look.

M. F. Quinn, an old-time neighbor of mine and the father of Mrs. J. O. Nichols, came down from El Monte today to visit around a few days. "Jim and Mc" last week sold 20 acres of their farm. The land was unimproved and the price was \$150 an acre. This sale puts the old boys on easy street, with both feet on solid ground. They have toiled on this place for twenty odd years and have brought the unsold half to such a degree of perfection that would-be buyers have made them some tempting offers, but have steadfastly refused to part with it. When they came here the country was all in willows, and every flower, tree and shrub now on the place has grown under their care and cultivation. Then why should they not love it with patriotic devotion?

Mrs. Arvilla Wheeler came out from Los Angeles yesterday to visit a few days with her parents, Mr. and Mrs. John Swartzbaugh.

Mrs. Jennie Luten leaves in the morning for Kilbourne, Wisconsin. She will be absent several months, and in the meantime the "old man" will subsist on whatever he can gather along the hedge-rows, in the tule swamps, or from the beach combings. The lady owns a good farm back in the "Badger" domain which she hopes to convert into "coin of the realm" before her return to Orange county.

Nichols and Hending have exchanged their old Fairbanks gasoline engine for an electric motor, and are now busy making the change. Uncle Hank anticipates great pleasure from the

new contrivance. Instead of having to "roll on the wheel" for an hour or so to get a "shot," all that is required is to turn on the switch and away she goes. As they have each added largely to their domain, a larger plant became necessary, so they have added one-fourth to its capacity.

Quinn Nichols is slowly recovering from a severe attack of typhoid fever. The disease first made its appearance in the guise of a poor relation, uninvited and without a time limit. It meandered about between doubt and certainty for two or three weeks, then settled down to a very malignant form of lingering typhoid. By Thursday of this week it should have run its course.

In my letter last week I overlooked one of the most important events of the season. A very handsome and amiable young lady called at the home of A. B. Everett, and I understand they are going to allow her to remain. I stepped in this morning to pay my respects, and she gave me such a smile that this old heart of mine that has been tramping around flotsam and jetsam for nearly four score years began to palpitate with the warmth and vigor of youth. The young lady weighs an even dozen pounds and has already contracted the measles.

The old Levengood place of five acres was sold again a few days ago to a Mr. Bowman of Santa Ana. I understand the price this time was \$1750. The new owner is painting and papering the house and slicking up around generally.

The six colored men who are doing the dissecting part of the big wood cutting contract in the gum grove, went on a strike last week, but the trouble was settled before the state militia could get to the scene of trouble. There were no "walking delegates" to prolong the strike, else this report might have had a different ending.

STERN IS APPOINTED BANKRUPTCY REFEREE

Anaheim Gazette: Herman Stern was last week appointed receiver for the Folding Crate company by Referee Lynn Helm of Los Angeles. Homer G. Ames of this city recently resigned as referee in bankruptcy, which position he has held for some years past, and it was necessary for the Los Angeles referee to come to this county and make the appointment. Melose & Ames appeared for Stern. The company's liabilities are \$15,000, with assets sufficient, so it is said, to pay off all claims dollar for dollar.

PECULIAR HAPPENINGS IN RAILWAY SHIPMENTS

San Francisco Call: The Fresno nursery of Fresno recently made a shipment of fruit trees and grape vines to Mexico, and because of a shortage of regular cases the trees and vines were packed in piano boxes and sent on their way. The customs officials at Laredo, Texas, held up the shipment, claiming that pianos, billed as nursery stock were being sent over the border. Pianos are taxed as luxuries in Mexico, while nursery stock enters the country free. It took several hours and a large number of telegrams to convince the Laredo officials that the boxes contained nursery stock before they were allowed to be sent into Mexico.

Many peculiar things happen between the railroads and nursery people, according to Charles A. Chambers,

manager of the Fresno nursery. In one instance, he says, last season a case of alligator eggs were shipped from Florida to the nursery. They were billed as eggs and the eggs hatched in transit. When the shipment arrived in Fresno, instead of a case of eggs billed at the egg rate, the box contained 16 live alligators, so alive that one of the saurians made away with about half of one of the freight handler's thumbs.

The shipment was entitled to a sliding scale, as all shipments, originally billed as eggs, which arrive as poultry or animals, are entitled to such a rate.

Easter Costumes

There is a certain poise and distinction about the styles which we are now showing which stamp them as indubitably the correct thing. Our spring suits are the most fetching and becoming we have ever displayed. Our serges in a variety of shades tan, white, blue, green, gray, black and white check, etc. will compel your admiration.

We also have a comprehensive assortment of silk and wash waists.

Our skirt department is rich in snappy designs and weaves, diagonal serge and cashmere.

Our baby's department is well stocked with apparel for the little tots. Bibs, kimono's, long and short dresses, etc.

Don't fail to see our display of Easter hats. The most attractive conceptions of the metropolitan designers are well represented. Hats to suit every type of beauty. Ranging from the most daringly original to the most conservative models.

Calvin Bouthman, on Broadway. He was a delegate to the Santa Barbara convention that voted favorably to San Francisco in the Panama exposition controversy.

Mr. Crane says that the strong impression over Southern California that San Francisco "batted in" after San Diego had laid her plans to get the exposition is not well founded. "San Francisco has been working on this matter ever since 1904," said he, "but was not making much noise about it."

"You have a fine exhibit at your Chamber of Commerce," said Mr. Crane after visiting the local exhibit. "You have a great country down here. You raise everything we can raise up in Butte county, and that is high praise, I can tell you. But we raise anything you do. We have a great undeveloped country there. NO THANK YOU

John Temple Graves no doubt voices the prayer of other Democrats when he invites insurgent Republicans to join the Democrats in the cause of political and industrial freedom.

No thank you. The Democratic party also has its plutocrats and its coterie of men who, on the floor of congress do the jumping-jack act when the plutocrat and exploiter of the public pulls the string. Furthermore, the Democratic party does not exist as a body ready for service. It is a disorganized, disintegrated, spineless, lifeless and malodorous collection of odds and ends.

The Republican party under Roosevelt demonstrated not only that it was possessed of a body, but a soul as well. The soul of the Republican party is in the progressive, insurgent or reform wing. It is represented, it is true, by a minority in a left-over congress, but that minority is a militant and brainy minority composed of men with conscience enough, ability and independence of character enough to stand up and take blows as well as give them. The weaklings in congress, all the men of wobbly knees and flabby fiber, ran for cover long ago.

The insurgent element within the Republican party is the morally and intellectually virile element which is going to win the battles of the future. It is represented today by the greatest living American and by his successor in office, weakened as the latter has been in popular favor by his large concessions to the rule-of-ruin wing of his party.

The Republican party has within it the power to redeem itself. The insurgent wing is today the dominant wing, except on a roll call in congress. It represents the people's cause and the people are with it. So come over, Mr. Democrat, come over and "help the Lord against the mighty."—Pasadena News.

"REGULAR" BOLTERS

The Chronicle makes the absurd suggestion that wherever insurgent congressmen are the regular party nominees, by virtue of the regular nomination of Republican conventions regularly held, the "regular Republicans," in the interest of party regularity, will bolt these regular nominations, and vote the Democratic ticket.

We have no doubt, to be sure, that just this will happen, in some places. There is no one more ready to bolt a ticket which his faction does not control than the sort of partisan who boasts of his loyalty to the "regular organization." Just these "regulars" are regularly insurgent, in Wisconsin, Iowa, Kansas and other states, where the regular party organization is in the hands of the Progressive element. It was these "regular organization" men in California, last campaign who did their best to prevent the state delegation from going to Taft, because he was favored by the regular national organization of the party. These same "regulars" afterward assumed the title of "Taft Republicans," presumably because they had fought Taft to the last minute, to distinguish themselves from the Lincoln-Roosevelt League Republicans, who had endorsed Taft first, and finally forced his acceptance by the "regulars." In every county in California where the party organization is in control of the League element—in Sacramento, Oakland, San Jose, Fresno, Tulare county, Los Angeles, San Diego and elsewhere—the local insurgents against the organizations in those counties invariably call themselves "regular" or "organization" Republicans, and they would do so even if the regular state and national organizations were all in the hands of the Progressives. Also, the "regulars," "stalwarts," "organization," or "standpat" Republicans quite regularly, stalwartly, and organizedly stand pat in quietly bolting the Republican ticket, whenever it represents the majority of the actual Republicans, instead of their corporate machine.

All this is true, and is likely to happen again. But it is ridiculous false pretense, to give the name "regular" or "organization" to such insurgents. They are threatening just now to vote the Democratic ticket, (the Chronicle speaks for them) and are conspiring

ponents to divine his purposes as best they may by "putting this and that together" as the saying is. The following incident is strictly true, but, for reasons personal to our informant, we are not able to give names and dates as we should like to. Our information is that a sterling Lincoln-Roosevelt has a friend in San Jose who is, or heretofore has been, an "organization" man, although he may be a bit "wobbly" by now. He has been talking to a person for governor. A few days since this man met another "organization" friend of his on the streets of San Jose and was astonished to find him working for Curry. Knowing that this friend was closer to the heart of the "organization" head than he was himself, he called the Curry man to one side and demanded to know what he meant by it. "Isn't Anderson the straight dope?" he wanted to know. "No," was the reply, "I saw Mr. Herrin day before yesterday and he told me that Curry is all right." Which goes to show that Alden Anderson has been put up to hold a certain reputable Republican vote from Hiram Johnson, but only to be "Crockerized" twenty-four to forty-eight hours before the August primary will be held. By the way, Mr. Anderson's resignation as State Bank Commissioner has not been tendered to the governor. He would do well to hold to that office peradventure. One more pointer: It comes to us very straight that Frank McGowan is for Curry as Curry was for Frank McGowan when he was running for district attorney to beat Langdon. Now W. F. Herrin is for Frank McGowan for attorney general. Doesn't that clinch it?"

Curry Undoubtedly The "Straight Dope"

(FROM THE WATSONVILLE PAJARONIAN)

Boss Herrin of the S. P. Co. political department frequently keeps his political flunkies guessing as to his many moves in the games of politics and never more so than in the political campaign that is near at hand. The reason ascribed therefore by

some of the "good boys" who do Herrin's political messenger work, is that the "old man" is, like Joe Cannon, up against the hardest political situation of his career, and if Johnson becomes the Republican nominee for governor and Bell the Democratic nominee for the same office then it is a case of funeral bells for Boss Herrin. In order to avoid such an ending it is necessary at present for him to keep his "good doggies" scattered in their support of Anderson, Stanton and Curry for the Republican nomination, but hoping that at the last he will be able to round them up into the Curry corral. It is questionable whether he will be as successful in doing so as he was recently in San Francisco in delivering his Republican Crocker votes to McCarthy.

In brief, Herrin is for Curry for governor on the Republican side and E. O. Miller on the Democratic ticket. He would, for the present, like to have the people believe he is for Anderson in the north and Stanton in the south—but he is not. The following excerpt from the California Weekly goes to show where the S. P. Co. political bureau stands as regards the Republican gubernatorial selection:

"It is unfortunate that Mr. W. F. Herrin does not see fit to take the public into his confidence and blurt right out whom he is for for governor, honestly and unequivocally, but he does not and this forces his op-

SAID ABOUT CANDIDATES

Los Angeles Graphic: When I read in a morning paper, a few days since, that State Senator Miguel Estudillo had been in conference in this city with several associates, assisting in making a Lincoln-Roosevelt program, I smiled inwardly. For was not Miguel Estudillo on the Lincoln-Roosevelt black list in the campaign of two years ago, and did he not pull through by the skin of his teeth, as it were, after the regular organization had expended several times his salary of a thousand dollars for the legislative session, in his behalf? While I know nothing of the real story involved in Senator Estudillo's sudden conversion to the reform wing of his party, I miss my guess if Phil A. Stanton is not in position to shed light upon the subject if he so desires.

Anaheim Gazette: County Assessor Scott was in town on Saturday looking after political fences, which he found in no need of repair. Mr. Scott has acquired a gladhand shake which puts others to blush, and his new campaign smile is the envy of his opponents. He feels that he has made good, and if one term efficiently administered is entitled to another, which his friends interpret as the correct thing in politics, he will come under the wire at the August Primaries so far in the lead that there will be nothing doing and less fun for the spectators in the grandstand.

Anaheim Gazette: Tax Collector Lamb was in town on Saturday meeting with friends and putting up a stiff fight for renomination, even though he has no opponent in sight, and none likely to come out of the woods against him. He has made a model officer since he took the scalp of Pink Undershirt four years ago, and has none to sing anything but praises of him. He was probably the most overworked and poorest paid official in the courthouse, and his friends propose to keep him on the job under the new salary schedule, which pays a fair day's wage for a fair day's work.

lowing this a very interesting travel game was played in honor of Miss Velda Medlock, who is planning a trip to Europe during the summer. The Misses Fredda Moesser and Hazel Rowley added to the pleasure of the evening with several duets and solos.

The refreshments served were suggestive of Easter. Although appearing to be eggs on toast they proved far daintier as they consisted of peaches and whipped cream on sponge cake. The hostesses for the evening were Hattie Whidden, Mary Wood, Suzanne Claycombe, Ella Charlton and Edna Allgers.

Curprise Party

A number of old Colorado friends surprised Mrs. O. H. Hall, Jr., last night, her birthday being the occasion for the pleasant affair. The surprising party took most delicious refreshments with them and these were served after an evening of progressive whist in which Mrs. Edith Eversole was the winner of the first prize and Miss Virgie Keeling of the consolation. Roses were used in simple decoration and the affair proved delightful to all concerned. Mrs. Hall was pleasantly remembered with pretty gifts from her friends.

Those in the surprising party were Mr. and Mrs. Gus A. Frost, Mrs. Geo. McPhee, Mrs. Edith Eversole, Mrs. Ethel O'Rourke, Miss Mary E. Giffin, Miss May Haney, Miss Virgie Keeling.

Easter Party

Mrs. F. W. Weissman entertained her class "The Gleaners," of the First Methodist Sunday school yesterday afternoon at an Easter party given in honor of Miss Marian Hoskyn who soon goes to San Bernardino to live. Easter games played out of doors passed the time merrily and the pretty party was brought to a close by an appetizing supper at which each of the fourteen girls found a dainty Easter basket of eggs at her place. The table and house decorations were significant of Easter.

For Mother's Birthday

Mrs. N. Beisel was hostess yesterday afternoon to half a dozen old friends of her mother, Mrs. Margaret Roberts, in honor of that lady's birthday. Cut flowers brightened the room and a handsome birthday cake with delicious Dragon ice cream were served for refreshments. Needlework and conversation passed the afternoon pleasantly.

DEATH OF J. T. MANDELL LOS ANGELES YESTERDAY

Mr. and Mrs. Robert Squires, Mrs. B. F. Henacy and Mrs. Flowers returned last evening from Los Angeles where they had gone earlier in the day on hearing of the sudden death of J. T. Mandell, whose wife was formerly Mrs. Hannah Kling of Santa Ana. They spent the day with Mrs. Mandell, who was naturally much overcome at the sudden death of her husband.

Mr. Mandell, who was past sixty years of age, has suffered for years from intermittent attacks of heart trouble. About a month ago he was taken with one of these attacks. Although suffering severely he continued to get up each day and dress himself. Growing much worse lately, Mr. Mandell was taken to the California Hospital on Tuesday evening where he was put under the best of care. Yesterday morning at about 8:40 he insisted on getting up as usual to dress and as he did so he dropped dead from heart failure.

Mrs. Mandell, who is with her sister, Mrs. Wilkinson, in Los Angeles, is awaiting the arrival of the family lawyer, who resides in the north, before deciding on funeral arrangements. Mr. Mandell has but one near relative living, a brother in the east.

STOMACH MISERY FOR OVER SIX YEARS

Read what Mr. Hoffman, landlord of the Webster Hotel, writes:

"I suffered misery and intense pains from stomach trouble for over six years, and all the doctoring that I did or medicines I used were of no avail, until about two years ago, when I used a treatment of Mi-o-na. The first few days' treatment helped me greatly, and upon using it a while I was made entirely free from any stomach trouble or complaint whatever. Since the cure by Mi-o-na I have regained my weight, I eat and sleep well, and am never nervous, and my entire general health is much better."—Max. M. Hoffman, Webster, N. Y., Aug. 2, 1909.

Mi-o-na stomach tablets relieve distress in five minutes. They act like magic. They are guaranteed to cure sour stomach, gas eructations, heartburn, dizziness, biliousness and nervousness, or money back. For sale by druggists everywhere, and by the Rowley Drug Co., for 50 cents a large box.

INCREASE WEIGHT QUICKLY

Simple Way for the Thin and Pale to Be Plump and Rosy

—Samose can be termed a medicine, it is in reality a flesh forming food. Taken before or after meals, it mingles with the food you eat, enables it to assimilate and readily digest, so as to make rich blood and pleasing plumpness.

After Samose has been used a week or ten days a noticeable gain in weight is seen. The sallow complexion will become rosy, the sunken cheeks will have a ruddy glow, the eyes will be bright, the breath sweet and the step elastic.

With the return of good health following the use of Samose, emaciation is overcome, and the thin and scrawny are once more plump and rosy.

The Rowley Drug Co.'s customers have told them of the remarkable results following the use of Samose, the great flesh forming food, and they are so thoroughly convinced of its reliability that they are selling it under their personal guarantee to refund the money if it does not do all that is claimed for it. Sent postpaid on receipt of price, 50c.

—Manager Wm. McCulloch wishes to announce that on Friday next, 1000 little Gingerbread men, made by the Dragon, will be placed on exhibition in their window, where they will remain until Saturday. At 2 p. m. of that day they will be given away free to every caller. These little men are the forerunner of the big musical extravaganza, "The Gingerbread Man," that will be seen at the Grand Opera House on the evening of Monday, March 28. This big musical comedy will be given intact just as it was seen at the Liberty Theatre, New York, with its all star cast, chorus and complete metropolitan production. "The Gingerbread Man."

HELD ST. PATRICK SOCIAL AT OLD NEWPORT SCHOOL

OLD NEWPORT, March 23.—A crowd of the Santa Ana high school students drove out to attend the St. Patrick's social at the schoolhouse Friday night. The house was crowded to its fullest capacity. The decorations were in green and pink. The program consisted of the following numbers: Song by Girls' Glee Club; dialogue by Mac and Johnny Walton; recitation, "The Origin of St. Patrick's Day," by Hazel Neeley; reading, "The Burdick's Music Box," by Miss Ethel Walton; "The History of St. Patrick," by Phil McClinton; vocal solo by Miss Bea Neeley; recitation, "Botter That Toothache," by Eva B. Adams; reading, "The Confederate Pig," by Hattie Harlin; vocal number, Two Little Irish Songs, by Miss Annette Degdorff; reading, "The Fourth Dimension," by Mr. Hannah; reading, by request, Miss Minnie Smith of Santa Ana; vocal solo, by Rev. R. H. Obar; Irish anecdotes, by Robert Speed; two pantomimes, "The McSwats' Reform" and "A Chemical Courtship." Ice cream and cake were then in order, and the proceeds from the sale of this amounted to an even twenty-five dollars.

Personals

Mr. and Mrs. Carruthers of Santa Ana, visited at the Walton ranch over Sunday.

Misses Grace and Sadie McClain have been quite ill with the gripe.

Miss Ethel Walton is visiting in town with her cousin, Miss Kate Lockett.

WHY SALVES FAIL

TO CURE ECZEMA

—Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. The Story of the Southern Pacific Railroad System and the Great Fortunes Created by It

By Charles Edward Russell

For the first time the *real history* of the powerful "Southern Pacific" organization is being told; how the whole state of California was throttled; how the United States Government at Washington was bribed and betrayed, and how the over-capitalization of our railroads is in a great degree responsible for our struggle to meet higher prices.

HAMPTON'S

APRIL ON SALE NOW

Mr. Russell's minute analysis of the careers of Collis P. Huntington, Leland Stanford, Charles Crocker and Mark Hopkins throws a strong searchlight upon American railroad methods; shows how the "ultimate consumer" has had a staggering burden of debt put upon his shoulders to *increase his cost of living*.

The purpose of this series is to show the American reader and voter specifically one phase of the great industrial and social problem which menaces him. Mr. Russell takes our most powerful railroad system and clearly tells us upon what iniquities its pre-eminence is founded.

There are a dozen other big articles and stories in the April HAMPTON'S which you will read and enjoy, including the first complete, adequate article ever printed on the Alaskan situation; and "Peary's Own Story."

WANTS PAVED ROADS GALORE

Anaheim Chamber Passes Resolution Asking One in Every Direction

Anaheim Gazette: The Chamber of Commerce at its meeting on Monday evening went on record as favoring the construction of paved roads leading into Anaheim from all directions, and called upon citizens of neighboring communities to assist in the work of securing needed thoroughfares in the northern end of the county.

The following resolution, introduced by Mills, was unanimously passed.

"Be it Resolved, By the Anaheim Chamber of Commerce that under the proposed good roads, the people of Olive be asked to assist in having a paved road from Olive to Anaheim; that the people of Yorba be asked to join with the people of Olinda and Placentia and assist in getting paved highways from Yorba and Olinda to Placentia avenue and Center street to Anaheim; that the people of Buena Park be asked to assist in getting a paved highway south from there to Anaheim via the west county road; that the people of Los Alamitos and Cypress be asked to assist in getting a paved highway from Los Alamitos via Cypress to Anaheim; that the people of Garden Grove be asked to assist in getting a paved highway connecting Garden Grove with Anaheim; that the people of Orange be asked to assist in getting a paved highway from Orange to Anaheim."

In reference to bonding the city for street paving, the Chamber of Commerce again expressed its desire that \$15,000 bonds be issued, instead of \$7500, as proposed by the city trustees, and advocated twenty-year bonds instead of forty years. The committee on public improvements was instructed to appear before the city trustees at their next meeting and lay these suggestions before them.

Considerable discussion ensued in reference to the sewer-system, but the Chamber decided to let the matter go over until the election of a new board of city trustees.

The Chamber was unanimous of opinion that a sewer system be immediately constructed.

Mills offered the following resolution regarding the protection district, which was carried:

"Whereas, The protection district proposed by a mass meeting called by this Chamber of Commerce is assessed for more than \$12,000,000, and covers approximately 80,000 acres; therefore be it.

"Resolved, That it is the sense of the Anaheim Chamber of Commerce that the district be formed and that funds be raised for protection purposes by direct assessment."

A committee of three, consisting of Stockwell, Gervais and Ahlborn, representing the Chamber of Commerce, were appointed to assist in carrying on the work of forming the district.

S ANGELES PRODUCE MARKET

There was practically no change in conditions on the produce market yesterday, either in prices or in the movement of fruits and vegetables. Cabbage continued scarce, with the demand brisk. The best quality was at premium and sales were made at high as \$1.50 per sack. Tomatoes me into the market in a little larger quantities than they have for some time, but the demands were heavy and most houses had difficulty in filling all orders. Asparagus arrived in fairly large amounts and was easily disposed of, with no change in prices. The egg market was firm with prices changed. Arrivals are increasing slowly as the week advances, the total receipts yesterday being 599 cases. One of the dealers tried to boost the price of local case counts up to 25, it was unsuccessful. A quantity of stern storage were placed on the market, but they did not take well.

Receipts of butter were 29,139 lbs. The market is still very weak, with a few supply on hand. California creamery firsts and extras were both fered, but little was sold.

A drop of 1 cent was made in the price of eastern Twins. Longhorns and Daisy cheese. Northern fresh, stern Twins, Longhorns and Daisy, ported Swiss, brick cream and limger were all offered at several cents under current prices, but the demand were eastern Twins, day anad brick cream. Cheese receipts for the day were 3043 lbs. The potato market was unchanged, the spuds moving very slowly. Many Idaho and White Rose were sent in evidence, but there were few for them. Total arrivals were 0 sacks.

Onion receipts were 181 sacks. The market was dull, with the most activity in northern Australian browns, svadas and Orecons.

An advance of 50 cents was made in the price of No. 1 pink beans. The total arrivals in beans were 356 sacks. Bellefeur apples are beginning to scarce, but there is a big supply of all other varieties on the market. Arrivals were reported yesterday morning.

All kinds of fish were scarce yesterday and the demand was good and heavy. Halibut came in good quantities, but was sold as soon as it arrived.

TRADED OLD FOR NEW BIKE

S. E. Tingley Has Experience Similar to That of City Assessor Freeman

Man Arrested in Anaheim and Charged With Theft of the Wheel

For the third time within the last two years an old bicycle has been traded for a new bicycle without any boot. In all trades, however, the owner of the new bicycle was not aware that the trade was being made.

Last night's trade resulted disastrously for the trader. He got away with a bicycle belonging to S. E. Tingley. On reporting the theft to Constable Jackson, Tingley was advised to go to Anaheim and look around the bicycle shops there, since two or three wheels stolen here had been found at places where they had been sold.

Mr. Tingley followed the suggestion. He discovered his bicycle in a rack in front of the Star Barber Shop. He told City Marshal Stedman the circumstances, and the bicycle was watched.

A man getting his shoes shined near the bicycle got off the stand and Tingley climbed up for a shine. The man whose place he had taken mounted the bicycle and started to ride away. Marshal Stedman arrested him. The man said his name was W. A. Brauer.

Tingley gained here, swore to a complaint charging Brauer with petty larceny, and Constable Jackson went after the man.

Last night S. E. Tingley, salesman for the Pendleton Lumber Co., called on business at the home of C. S. Crookshank. He rode a new bicycle to the house. His first thought was to leave the wheel standing against the curb, but thought better of the matter and took it to the porch and leaned it against the steps where the burglar-proof porch light shone upon it.

When Mr. Tingley prepared to go home, he found that his bicycle was missing, but leaning in the place it had stood was a wreck of a bicycle that was worth but a small fraction of the value of the nearly new bicycle that Mr. Tingley had ridden there.

Mr. Tingley felt that since the trade was made he had best accept the old bike for fear he would get none if he did not. He reported the trade to the officers, but as yet they have been unable to identify the bicycle that was left in Mr. Tingley's possession.

A short time ago on coming out of prayer meeting at the Christian church, City Assessor Freeman found a well-worn bicycle in place of the new one he had left beside the church earlier in the evening. The old bicycle turned out to be one that had been stolen from A. G. Lucas several days previously. As yet the assessor has not located his bike.

On Wednesday night of last week a brand new bicycle left in front of John Cubbon's house by A. C. Black received treatment similar to that accorded the new bikes of the city assessor and the lumber salesman. An old bicycle was found in place of Black's new bicycle. Later it was found that the old bicycle was one stolen several days previously from E. D. Waffle.

WHAT HOUSE OF LORDS RECENTLY VOTED FOR

LONDON, March 24.—The House of Lords in a practically unanimous vote has renounced the hereditary right to legislate, the decision meaning that the members of the House of Lords will hereafter be elected, number of members to be eighty and only peers being eligible for election. There will be eighty elective districts in the kingdom each to elect three members for the peerage for every parliament, just as and at the same time as members of the House of Commons are elected. The King will summon one of the three to sit in every parliament. The right of veto is retained.

SUMMER MARCH DAY IN THE WINDY CITY

CHICAGO, March 24.—Chicago's temperature soared to 78 degrees at 5 p. m. yesterday, making it the hottest March day, with two exceptions, since 1871. The heat was tempered by a strong wind. The two days in the city's history when the mercury mounted higher in March were March 28, 1895, and March 23, 1907.

STATE-WIDE STRIKE IS NOW ABANDONED

Pennsylvania Federation of Labor Decides Not to Call Big Strike

WILKESBARRE, Pa., March 24.—The executive council of the State Federation of Labor decided late yesterday that the time is inopportune to call a state-wide strike to aid the striking carmen of Philadelphia. This decision is said to have been influenced by the action of the textile workers of Philadelphia who, after going out in a sympathetic strike, voted on Tuesday night to return to work. The council decided to do all possible to organize a labor party in the state, believing labor can get justice only through the ballot.

MILL HANDS RETURN TO WORK BY THE THOUSANDS
PHILADELPHIA, Pa., March 24.—Tens of thousands of mill hands followed the textile workers and returned to work yesterday after being out in a sympathetic strike with the carmen.

GOVERNOR GILLET WAS GOOD TO INJURED DOG

SACRAMENTO, March 24.—Bystanders gulped, their eyes looked shiny, this morning at sight of Governor Gillett's kindness to a little vagrant mongrel which had the misfortune of being run over by the governor's carriage. The little dog ran out to bark a salute as the governor was taking his morning drive. The friendly little beast attempted to dodge a grocer's wagon and jumped directly under the wheels of the governor's carriage. The wheels passed over the right forefoot, breaking it. The dog's agonized yelps caused the governor to alight and he tenderly caressed and soothed the suffering animal, which licked his hands gratefully.

Attractions at the Theaters

The Grand
Very few comic operas of recent years have given such unbounded satisfaction as "The Gingerbread Man." This piece was originally presented some three years ago by a millionaire at Malden, Mass., by the name of Converse.

"The Gingerbread Man" received a royal welcome everywhere, and its catchy songs and amusing sayings were repeated by everybody. "Every Little Something," "Do You Believe in Santa Claus," "Old Rameses," "John Dough," and other songs in the piece were frequently quoted and seemed to have an uncommon vogue for a long time after the opera had left the city, and demonstrated the fact that the whole fabric of the piece is built on uncommon lines, and that genuine comic opera properly presented has longevity and will continue to please long after the so-called musical comedy vogue has passed out.

The original No. 1 company will be seen on its presentation here at the Grand on March 28.
